Hi Melissa,

The Government of Newfoundland and Labrador Department of Fisheries, Forestry and Agriculture – Sustainable Fisheries and Oceans Policy Division (SFOP) shall participate in the review and look forward to receipt of the Environmental Assessment.

SFOP have no comments on the Project Description or draft EA Scoping Document.

Thanks,

Hello Everyone,

Please see the attached documents regarding a Project Description submitted by MKI for the proposed *Labrador Offshore Seismic Program, 2026-2030*. We are requesting review by your department or agency to determine participation in the review of this environmental assessment.

Please review the attached documents and provide a response by September 5, 2025. The response should also include any comments on the Project Description and the draft EA Scoping Document.

I am available should you have any questions or would like to discuss.

Melissa
